There is no entry fee. The number of participants is limited to 60 players. There is no limit for how many participants each club can have. The 60 player spots will be allocated based on a first come, first served principle, although if more than 60 players register, clubs with few participants will be prioritized.

The registration deadline is the 14th of March 2021. After the deadline each participant will receive an email telling if their registration was successful and in which semifinal to sail.

Format & Communication

The format will be 3 semifinals where the top 6 players will qualify for the final. Each competition consists of 5 races in J70 where there will be no discard. If fewer than 40 players register only 2 semifinals will be held and the top 10 players will qualify for the final.

Results will be available at www.sailranks.com

All communication regarding race management and participant management will be held on Discord.
